Transaction policies

Guarantee

Krackow guarantees all products for one year under normal use. We have a 10 day return policy if you are not satisfied. Please notify us in advance; the customer pays the return postage. No customized bow may be returned if it has had the customer's name inscribed on it.

Payment

Payment is at the time of ordering. Large items such as custom ordered bows over \$500 require half down and the remainder before delivery. We accept PayPal and personal checks.

Shipping

U.S. prices as follows. Most moderate sized single books ship for \$5.00. Multiple books will be more. Heavy oversized books and quivers and cases ship for \$10.00. All bows ship with insurance at \$30.00. All shipments outside the U.S. are by quotation, and any import duties are the responsibility of the purchaser.

All prices are subject to change.

Custom orders take time. Plan on a minimum of 3 months and in some case up to a year.

Pricing

Custom bows are priced by Krackow exactly the same as retail prices listed by the makers.

Most all books have been priced directly within the website sections.
